

Quintix® Laboratory Balances, Sartorius Lab Products and Services

The Sartorius Quintix® sets new benchmarks in every aspect for standard lab balances. A number of features make your workflow much more efficient.

Benefits:

- Highly precise weighing technology
- Touch screen user interface with integrated application programmes (e.g. determination of density)
- Easy to clean
- Fully automatic internal adjustment function, isoCAL, for constant results. Each adjustment and calibration process is documented to be traceable for quality assurance purposes
- The Plug & Play function provides for easy, convenient data transmission
